

ModelHandle::getId

```
graph LR; A[ModelHandle::getId] --> B[ModelImplementation::getId];
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'ModelHandle::getId'. The right box is gray with a black border and contains the text 'ModelImplementation::getId'. A blue arrow points from the right side of the left box to the left side of the right box.

ModelImplementation
